Hamish Fulton
A Conceptual Walking Artist
Born in 1946 (London)

Works in a variety of media including photography, illustrations and wall print.

Walked in more than 25 countries over 30 years
"Walking is an artform in its own right"
“The physical involvement of walking creates a receptiveness to the landscape. I walk on the land to be woven into nature. A road walk can transform the everyday world and give a heightened sense of human history.”
