

FLOW

GAME BITS AND PIECES:

–I CHOSE TO PRINT MY GAME BOARD ON CANVAS. I PRINTED AT DMA PRINT LAB, THE PRICE WAS FAIRLY REASONABLE.

–THE GAME BITS AND PIECES WERE SCULPTED FROM AIR-DRY CLAY (I USED CRAYOLA BRAND). I KNEADED THE COLOR INTO THE CLAY BEFORE SCULPTING THE PIECES (MAKE SURE TO USE WATER-BASED PAINT).

–AFTER THE PIECES WERE DRIED, I SPRAYED GLOSSY CLEAR FINISH ALL OVER THEM. (I USED KRYLON LOW ODOR CLEAR FINISH SPRAY).

–I MADE ALL BOXES FOR MY GAME FROM CHIPBOARD. I ALSO MADE MANY LITTLE BOXES TO STORE THOSE SMALL BITS AND PIECES. THIS BOX TEMPLATE GENERATOR IS REALLY AWESOME:
