GIRL TALK
"GET A LICENSE OR DO NOT SAMPLE. WE DO NOT SEE THIS AS STIFLING CREATIVITY IN ANY SIGNIFICANT WAY."
-U.S. COURT OF APPEALS FOR THE SIXTH CIRCUIT
The D.J. Girl Talk has won positive reviews for his new album and news media attention for its Radiohead-style pay-what-you-want pricing, and on Friday night he is scheduled to play a high-profile gig at the All Points West festival in Jersey City. Not bad for an artist whose music may be illegal.

-New York Times

In legal terms a musician who uses parts of other compositions creates what copyright law calls a derivative work, so the permission of the original song’s writer or current copyright holder is needed.

-New York Times
Girl Talk has created a new kind of hook that encompasses 50 years of the revolving trends of pop music.

- New York Times

He has to carry in his memory the contents of hundreds of different sample loops, and while he dances he triggers these at precise moments with clicks of the mouse, developing an evolving scramble that requires timing, agility, inventiveness and a head for math.
